

WEST PARK

West Park got its name from a wooded park and lake on John West's farm close to Lorain and West 138th St. West Park is also affectionately nicknamed "Cop Land" because of the large number of Cleveland Police and Firemen who live in the neighborhood. Favorite events in West Park include the Hooley on Kamm's Corners in May each year. The Hooley features live bands, Irish Dancing, food, fine art and children's entertainment. The West Park Kiwanis Club Annual Independence Day parade is another popular event.
