

BROADWAY SLAVIC VILLAGE

Saturday

I Information Station

**Information Station
Heritage Garden at
E 65 & Hosmer, SE Corner**

GardenWalk is an excellent time to explore Broadway Slavic Village’s unique pocket neighborhoods, gardens, public art and greenspace. Home gardens reflect neighborhood residents’ ingenuity, resiliency and creativity—from garden ponds and bees to carefully color-coordinated artificial flowers. Green spaces keep growing with the new Gold Plum-designed Gertrude Gardens, and John Paul II Heritage Garden.

Traditional organizations and events like Polish Constitution Day Parade, St Stan’s Church, Polish Cultural Center, Spanish-speaking mass at Our Lady of Lourdes, and Bohemian National Hall join with the millennial style /Rooms to Let/ art event and the Pierogi Dash 5K Run to highlight neighborhood’s reputation for quirky and openness.

With new bike lanes, Cleveland’s first ‘Complete and Green Street’ on Fleet, and close proximity to the Ohio & Erie Towpath, MillCreek Falls, and Garfield Reservation, exploring GardenWalk by bicycle is a good option.

Welcome to GardenWalk Cleveland 2020!

While walking by my neighbor's tiny front yard in Broadway Slavic Village, I admired his vegetable plot. With a bright face and a huge smile he said "Yes, and if I get anything to eat from it, that will be an added bonus!"

The joy we get from growing something is why we garden, and we are so glad to be able to share our joy and gardens with you this year. We hope you will be delighted with what you see. From the aspirational, eccentric, whimsical, and artistic to the workhorse vegetable gardens and historic 40+ year traditional designs, you'll see these and more, including new gardens and projects. We are proud of what we have accomplished and hope that you will be inspired, learn a little, share a little, and have a fun day in our neighborhoods and gardens!

Please be sure to wear a mask and follow other safety measures.
