

The Clifton-Baltic neighborhood is featured in GardenWalk 2021 on **Sunday, July 11 ONLY**, from 10 am-5 pm.

The Clifton-Baltic area of the Edgewater neighborhood is distinguished by beautiful homes near the historic Clifton streetcar boulevard and Detroit Avenue. Residents here love to stroll to the many locally and LGBTQ owned businesses, as well as Edgewater Park and its beaches. RTA's Cleveland State Line provides a speedy connection to Downtown Cleveland to the east and the City of Lakewood to the west.

Welcome to GardenWalk Cleveland 2021!

We hope you will be as inspired as we are by the effort and creativity of the gardeners of 280+ private home gardens, community gardens and public green spaces in this year's nine Cleveland neighborhoods. As you tour today, plan to be wowed by Cleveland gardeners' ingenuity and DIY energy. You will meet gardeners from all skill levels and experience the beauty neighborhood gardens create. From quirky to traditional; minimalist to exceptional; historic to aspirational, gardeners are proud of what they have accomplished, and excited to share their work with you.

Enjoy!

★ **Information Station — 1308 W 111 St**
Victorian home with traditional front hedge and old Magnolia tree, perennials running through the yards, new curbside garden installed this year, raised bed vegetable garden in backyard and hen house with 4 busy but friendly hens to help with weeding.

1 1324 W 111 St
Food, raised beds, endemic species of Ohio.

2 Community Garden — W 112 St Community Garden, 1363 W 112 St
We have a small community garden on W 112 St that has been here for over 20 years. It is located between 1363 and 1361 on the east side of the street.

3 Green Space — Eastman Condominium Grounds, 11024 Detroit Ave
A relaxing green space under giant honey locust trees. Japanese maple, dogwood, magnolia, and sand cherry trees flank the building. Courtyard and side gardens have boxwood, hydrangea, peonies, roses, daisies, lavender, black-eyed Susan, coral bells, sedum and a variety of lilies.

4 1441 W 110 St
1905 Folk Victorian home on a double lot has terraced gardens beds with white birch trees and deer resistant perennials, stone patio and a reflecting pool with water lilies and hyacinth. Feel free to visit the front, side and rear gardens.

5 1452 W 110 St
A bit out of the way, oversized yard worth a visit. Japanese landscape meets native Ohio woodland in backyard oasis situated under

majestic 150 year old white oak tree. Side yard arch of clematis, dutchman's pipe leads to mix of Japanese maples, hinoki cypress, dogwoods, rhododendrons, ferns, giant blue hostas. Perennial flower garden; Koi pond with turtle.

6 1446-1448 W 114 St
Raised metal beds contain pollinator flower garden and vegetables with irrigation set-up, est. spring 2021. Vegetable garden in wood raised beds with added fences to keep out hungry groundhogs. Trellis supports vertical peas and cucumbers. Two sets of two rain barrels, holding 220 gallons of water, on raised concrete blocks to increase water pressure.

7 11203 Clifton Blvd
Corner lot home garden with flowers and veggies.

8 1268 W 112 St
Fun mix of veggies and flowers surrounding our porch, including a little sunflower garden.

9 1288 W 111 St
Victorian home with extensive gardens throughout the property. French style pollarded trees create a window to view large window boxes, beautiful water fountains backdropped by sandstone walls. Look closely as some of the stones were saved from East side Cleveland mansions.

10 1278 W 111 St
Front yard.

11 1267 West 111 St
Easy-going flower beds surround the house with cedar planter box features in the front yard and vegetable and rose gardens in the backyard.

12 Community Garden — Baltic Children's Park Baltic Rd & W 110 St
Demonstration Rain Garden and Pollinator Habitat at Baltic Children's Park.

13 1293 W 108 St
For the past 9 years, we have joined our neighbor to beautify our front yards. Together, we have over 1000 roses on our bushes. Both yards are certainly a spectacle on West 108th. Along with special lighting, we try to create a beautiful experience whenever people walk by.

14 1317 W 105 St
Front yard rain garden, planted with mostly natives.

15 1282 W 103 St
A bungalow garden with a formal boxwood hedge that surrounds a variety of native and nonnative plants that attract a variety of wildlife.

16 1294 W 103 St
Traditional front yard garden with perennials show a clean face to the street, belying the garden mayhem in the back. An experiment in amending clay soil led to a clover carpet, straw bale beds with hidden fairies and clay creations, and a kid-designed secret space in the far back.

17 1303 W 103 St
A traditional front yard garden bed with an emerging rain garden. Lined beside the backyard permeable driveway is a mixed annual and perennial pollinator bed. Additional backyard beds of flowers, vegetables and fruits. Many plants labeled. Information will be available on our 20 solar panels.

18 1352 W 102 St

Mostly native Ohio ground cover and pollinator plant beds, nut and berry startings, fixed pea gravel permeable patio with plantings.

19 1282 W 102 St

Small front yard garden with big impact. Planted with nature in mind, garden includes: hummingbird bushes, hydrangea, and natives. Weeping cherry trees provide canopy entrance to wide sandstone steps and large porch. 1910 colonial painted in Secret Garden honors importance of gardens no matter their size.

20 1269 W 102 St

Mix of native and non-native perennial beds targeted towards creating pollinator habitat. Also includes a vegetable garden, two types of composting, all managed as naturally and chemically free as possible.

21 1311 West Blvd

Set on historic West Blvd, this garden combines the beauty of greenery and custom trellises & fences with a nod to Arts & Crafts. Salvaged sandstone from former Millionaires' Row and remnants of ornamental stone and wrought iron add an interesting layer of local history to this must-see oasis.

**22 Business Garden – St. Augustine Towers
7800 Detroit Ave**

Flower beds full and lush, catering to humans, birds, butterflies and bees. Butterfly bushes will be full and busy! All organic, no pesticides.
