# Glenville

An historic neighborhood, Glenville offers stunning historic homes, buildings, and churches. Beautiful century homes line Rockefeller Park, home of the famed Cleveland Cultural Gardens, a unique collection of gardens representing different countries and cultures. Glenville is the birthplace of Superman, an important stop on the Civil Rights Trail, home to a large selection of street art and green spaces, a harbor of great Cajun comfort-food restaurants and is a neighborhood in a season of revival.

## ★ Information Station

### 9915 Ostend Ave

A front and backyard full of amazing colors. A garden that opens in the Spring with yellow, pink, purple and blue. Summer kicks off an array of orange, red, deep pink and colors from the rainbow. If you can imagine fall full of deep blues, burgundy and the Seven Sisters Rose bushes in red and pink are in full bloom. The Rose of Sharon tree white with deep red center bloom is beautiful. That's not all – stop by and see.
