# Tremont

Situated along the Towpath Trail and just minutes from Downtown Cleveland, the neighborhoods of Tremont and Duck Island are where visitors mingle seamlessly with residents, business owners, artists and entrepreneurs. Tremont is one of Cleveland's oldest neighborhoods with a rich history dating back to the early 1800s. Today the neighborhood is known for its award-winning restaurants, lively art scene, boutique shops, scenic churches, and fun-filled events. Duck Island is the neighborhood between Tremont and Ohio City and home to the oldest beer garden in Cleveland, Forest City Brewery.
