# Collinwood

Spanning the shores of Lake Erie, Collinwood is an eclectic mix of natural resources, people, and businesses. It is the home of three lakeshore parks, plenty of private lakefront residences, and beachfront concerts. The popular Waterloo Arts and Entertainment District offers a variety of live music venues, including the famous Beachland Ballroom, art galleries, and old world food producers. Come out for Walk All Over Waterloo on the first Friday of each month for a fun night out on the town. There are a variety of popular restaurants located throughout the neighborhood to fulfill anyone's taste and budget.
