## Detroit Shoreway

Detroit Shoreway is located two miles west of downtown Cleveland on a bluff overlooking Lake Erie. Detroit Shoreway is one of Cleveland's most diverse neighborhoods and is home to the Gordon Square Arts District, Cleveland EcoVillage, Lorain Avenue Antiques District and more. It is a thriving, vibrant and walkable neighborhood known for beloved small businesses and tight-knit groups of residents.

---

### ★ Information Station – Labyrinth Park W 65 St & W Clinton Ave

Created and maintained by the W Clinton Block Club, featuring a meditation walk by local artist Melissa Daubert and a sculpture by the late John Jackson.

#### 1 6212 W Clinton Ave

A front yard garden and three connected back yard gardens

#### 2 6002 W Clinton Ave

Once a part of the "Needham Castle" property. Features include several fruit trees, hop vines and colorful murals.

#### 3 5909 W Clinton Ave

No Mow Front Yard - Starting with what existed when the house was purchased and adding something new each year keeps this garden fresh and new each year.

#### 4 6003 W Clinton Ave

Cottage garden with pollinator attracting plants in front. The back garden is a relaxing, shady garden with large trees, a koi pond with really big fish, and no grass. The design has evolved over twenty-eight years.

#### 5 6305 W Clinton Ave

Densely planted perennial flower and herb garden in the backyard with ground cover and flowers and plants in the front.

#### 6405 W Clinton Ave

The back is abshade garden under a canopy of 100 year old oak tree, while the front is a wildflower garden.

#### 7 Bethany Presbyterian Church 6415 W Clinton Ave

Plot Against Hunger: a garden provided by church members to provide fresh produce to our Community Meal attendees. The church will also be open for restrooms and refreshments.

#### 8 6913 W Clinton Ave

Shady front yard garden. Sunny backyard garden with vegetables, berries, bushes and perennials.

#### 9 Townsend Learning Company 7001 W Clinton Ave

The front garden sports an English ivy, periwinkle, and hosta bed. The backyard has a salsa garden that is home to several types of peppers, tomatoes, and cucumbers. Zinnias decorate the backyard border and stand ready to make the perfect gift to any friend in need.

#### 10 7205 W Clinton Ave

There are groupings of hosta and painted ferns that soften the borders of the garden and accent the stonework.

#### 11 7317 W Clinton Ave

A garden filled with little surprises everywhere you look. Everything from bathtubs full of flowers to bike baskets overflowing with more!

#### 12 7325 W Clinton Ave

Century Victorian home embraces urban sustainability. Backyard chickens, brambles, raised bed gardens, and major composting operation pairs with rainbarrels and permeable patio.

#### 13 1353 W 65th St

A front yard garden with purple, red, and combination of wonderful colors. Garden planted behind a beautiful limestone wall. A place to just sit back and relax and daydream.

#### 14 1356 W 65th St.

Established garden just beginning to expand into the newly purchased and demolished lot next door. Come see raised beds, container vegetables, berry bushes, perennials, hanging baskets, a peach tree, chickens, and toddlers! Front yard is a temporary home for a Cuyahoga SWCD native plant kit.

#### 15 1349 W 65th St

Shades of an English Cottage Garden, with annual and perennial flowers in the city. With a non-existent backyard, the gardens surround the hardscapes of a driveway and brick walkway. Also front and side yard plantings. I have tried to use color and diversity to create a bit of an unexpected surprise.

#### 16 1339 W 65th St

It's my relaxing area

#### 17 1348 W 64th St, Up

An upcycled, edible and native plant, balcony container garden. This balcony container garden was grown from recycled and repurposed discarded materials from the community, food scraps, heirloom seeds, and lots of love.

**18 1333 W 64th St**

Many hanging baskets and planters along with cucumber trellising in a quiet backyard.

**19 1309 West 64th St**

This backyard pollinator garden has over 100 plant species native to Ohio and it's always buzzing with insect life! See how many pollinators you can find and take home a free native plant seedling (while supplies last.)

**5702 Tillman Ave**

Please come check out our new garden.

**20 1322 W 65th St**

My front yard and tree lawn. I'm primarily trying to plant pollinator friendly and completely grass free

**21 1284 W 65th St**

My garden is in the early stages. Lots of perennials for pollinators.

**22 6704 Father Caruso Dr**

Planting simplicity complements white, modernist architectural forms at Marina Pointe. Showy spring settles into languid summer. Stroll west down a city walkway, through an urban crabapple grove. An unexpected side garden nods to the English country but remembers its place by its lakeside home.

**23 1228 W 69th St**

Beautiful home garden with custom she shed

**24 1321 W 69th St – STAR GARDENER**

This double-lot cottage garden continues to expand! Features a chicken coop & run, raised vegetable beds that employ the Square Foot Gardening Method, a medicinal/ethnobotanical herb garden, a potted collection of approx 20+

mint specimens, as well as many berry plants and fruit trees.

**25 The Cheerio Building – 7318 Detroit Ave**

The perimeter of the garden, lined with black bamboo, two types of Japanese maples, and climbing hydrangeas, provides privacy in a dense urban setting. There are groupings of hosta and painted ferns that soften the borders and accent the stonework. The canopy provides shade on the hot summer days and the decking allows us to use the patio into the fall.

**26 Legacy Garden  
W 74th St & Rutledge Ave**

Lush raspberry and blackberry brambles grow alongside a mature hydrangea hedge. A fire pit, gathering area, picnic bench, and swing highlight our community space while a handcrafted produce stand invites neighbors to enjoy donated produce each week in season.

**27 9102 Detroit Ave**

Simple and basic garden with a lot of color

**28 1289 W 91st St**

Aesthetically pleasing vegetable, berry and flower garden surrounding reclaimed brick patio, with many bird features. All organic (no herbicides, pesticides, or fertilizers; all homemade compost).

**29 Desmond Pollinators/Daffodil Desmond  
Desmond Ave & W 89th St**

Desmond Ave is home to two colorful green spaces. In the spring, Daffodil Desmond where 5,000 daffodils bloom every spring. And in the summer, a growing pollinator planting is taking shape beginning at Desmond and W 89th.

**30 1282 W 89th St**

We are restoring our neighboring side lot into a space for pollinators, soil regeneration and growing food. Our side yard has a large native wildflower garden, a dozen fruit trees and nutrient dense raised beds for our vegetables.

**31 1318 W 89th St**

Located between the Detroit Shoreway and Clifton-Baltic neighborhoods, this garden is on a 1.5 lots and is a healthy mixture of sun and shade loving flowers, fruit trees and bushes, and wildflowers. The garden was born out of the pandemic when the owners decided they were done with grass.

**32 7414 Franklin Blvd**

Eclectic, mostly shade garden with plants transplanted from three generations of gardeners. Ever evolving.

**33 7300 Franklin Blvd**

Tucked behind the tall pine trees, this garden offers a nice getaway. take time to sit inside the pergola and enjoy the sounds of the birds and the tranquility of the backyard atmosphere.

**34 6905 Franklin Blvd**

Welcome! We have two types of cherry trees along the side yard which complement our house's classic colonial architecture. In the front are hydrangeas and in the rear of the house there is a bonsai garden.

**35 6818 Franklin Blvd**

Front yard in transition and back yard permaculture

**36 6814-6816 Franklin Blvd**

In our front yard garden we focus on native and medicinal plants to increase biodiversity.

**37 6810 Franklin Blvd**

The front yard has a new rain garden with perennials and the backyard has a cool treehouse for the grandkids, fruit trees, berries, perennials, an herb garden and vegetable garden.

**38 1785 W 52nd St**

This garden features a variety of perennials, including roses, ferns, black-eyed Susan, and phlox.

**39 1822 W 47th St**

West 47th St Community Garden  
Garden with 18 private plots but also a community sitting area, fire area and small garden beds with berries

**40 1928 W 50th St**

Whimsical Garden and Koi Pond. The welcoming bright green sedum instead of grass invites you to walk back to the hidden urban oasis. Find a large stocked koi pond and waterfall nestled by a whimsical patio fire pit, and dry stream. Layers of repeated lush color patterns in perennials and annuals.

**41 5302 Bridge Ave**

Front garden and backyard garden featuring trees, flowers, potted plants, raised beds, and an in ground pool. We just moved to this property and we are in the midst of seeing what is sprouting from the garden for the first time!

**42 6006 Bridge Ave**

Front, side and back with water feature

**43 1863 W 65th St**

A pesticide-free small urban garden focused on pollinator-friendly plants. Most of the plants are native to Ohio, including milkweed for monarch butterflies. The central feature is a weeping cherry tree, which provides shelter to the various bird and insect visitors.

**44 6703 and 6707 Bridge Ave**

Daylilies, perennials and plenty of yard art along the front and sides of 6703 and front and back of 6707.

**45 6608 Fir Ave**

Vegetable garden with chickens

**46 6615 Fir Ave**

Backyard and side yard with park-like setting with many beautiful flowers, bushes, and trees with arbors, a small bridge, and raised garden beds.

**47 6609 Wakefield Ave**

A Modern Urban Garden: Organic sustainable herb and vegetable garden adorned by unique tropicals strewn against a mini fruit and nut orchard.

**48 1922 W 61st St**

Sunny perennial garden with a mix of native flowering and edible plants. Dog friendly home!

**49 6017 Pear Ave**

Private home garden which includes a variety of roses, cannas and other flowers.

**50 St.Colmans Church – 2027 W 65th St**

Lovely meditative memorial garden, to the right of the church.
