MAP

An historic neighborhood, Glenville offers stunning historic homes, buildings, and churches. Beautiful century homes line Rockefeller Park, home of the famed Cleveland Cultural Gardens, a unique collection of gardens representing different countries and cultures. Glenville is the birthplace of Superman, an important stop on the Civil Rights Trail, home to a large selection of street art and green spaces, a harbor of great Cajun comfort-food restaurants and is a neighborhood in a season of revival.

Special Features

C = Chickens N = Natives H = Honeybees W = Water Feature  = Info Station

Rockefeller Greenhouse Garden

Rockefeller Park & Greenhouse in Cleveland, Ohio, is a historic city-owned botanical garden featuring indoor and outdoor themed gardens, specialty plant collections (like orchids, tropicals, and irises), and seasonal floral displays, with free admission and parking year-round.

10. 750 E 88th St

Willott Iris Garden

Dedicated in 2012, the Willott Iris Garden is located on the grounds of the Rockefeller Park Greenhouse. It was started by Anthony (Tony) and Dorothy Willott, local iris enthusiasts who hybridized, or bred, plants to develop new colors and other alluring features. The Willott Iris Garden is supported by the Friends of Greenhouse, our generous donors, and affiliates. front yard.

11. 10711 Hathaway Ave

Living Ancestor Art Garden

The Living Ancestors Art Garden is a community-centered green space in Cleveland's Glenville neighborhood that blends urban farming, public art, genealogy, and cultural memory. The garden honors ancestors through murals, storytelling, flowers, and food cultivation while creating a healing space for residents to gather, learn, reflect, and strengthen community connections.
